

REMARKS

The Advisory Action indicated that only claims 7, 18 and 24 were still rejected while any rejection of the remaining claims was withdrawn.

In the foregoing amendment, claims 8 and 14 have been placed in independent form. Claim 7 (and thereby claims 18 and 24) has been amended to recite that not all of the “portion” overlaps and it is respectfully submitted that this change obviates the rejection of these claims.

In light of the foregoing considerations, it is respectfully submitted that all rejections should be withdrawn and the application allowed.
